Letter of SUPPORT for AB 695 - Helmet Modification Law

Save Lives!! Support Freedom of Choice!! ABATE Of California (American Brotherhood Aimed Towards Education) urges your support for AB 695 (Author- Norby) AB 695 modifies the current helmet law to allow riders the right to choose whether to wear a helmet or not if they are over 18 and have either: 1.) completed a motorcycle rider training program (that complies with Section 2932), or 2.) Have been issued a class M1 license or endorsement, or a comparable license from another jurisdiction, for two years or more.

California is about providing adults the right to choose. It is a principal long encouraged in this State. Therefore, adult motorcyclists should also have the right to choose their safety equipment. *The helmet law is not about saving lives!!!*
